

Bag & Hose Clamps

*Patented
Canada 1025783
USA 4193173

Utilizing the Lorenz Clamp*

Standard Features

- No tools required
- The convenient way to connect dust bags to spouts for easy removal
- One piece stainless steel construction prevents loss of parts
- Custom made on 1" wide stainless steel band

When ordering bag and hose clamps, always specify the O.D. of the pipe or hose on which clamp will be used, taking into consideration the resilience of the item being clamped.
Any intermediate size not listed above is also available
